Dear Friends of Firestone Swimming and Diving:

The Firestone High School Swimming and Diving Team is now in its 56th season! Since 1963, Firestone has been State Champions four times and District Champions 24 times. It has produced a two-time Olympic gold medalist and an Olympic coach. Our swimmers have held first and second place finishes in the relays and individual events at the State Championships many times.

These high achievements are possible due to the generosity of businesses like yours.

The Firestone High School Aquatic Association will hold its annual Fundraiser — the FHAA Reverse Raffle and Auction — on Saturday, January 18, 2020.

This event is a major fundraiser for the swimming and diving programs at Firestone, which is home to the only Akron Public Schools swim team. The proceeds are used to purchase team equipment, defray costs of transportation and entry fees at the meets, and pay expenses incurred for district and state competition. Financing for sports at the public school level is primarily supported by private donations and fundraising activities. Donations from businesses like yours in the past have enabled FHAA to provide services and equipment otherwise unavailable through school board funds.

We are asking for your support through the donation of an item to be included in our auction. All donations will be recognized that evening, as well as in our annual meet program, which is distributed free to all spectators at our home meets. FHAA is an Ohio nonprofit corporation under section 501(C) (3) of the federal tax code. **Your donation is fully tax-deductible** and a receipt will be sent to you for tax purposes stating your donation.

The deadline for donations is Jan. 3, 2020. **Please contact Auction Donation Chair, Laura Duryea (laurahduryea@gmail.com)** with any questions or to arrange pick up. Our mailing address is above.

On behalf of FHAA and members of the FHS Swim Team, **Thank You** very much for your generous support!

Rob Searle, FHAA President
Cindy Dial, FHS Swim Coach
Larry Johnson, Firestone High School Principal
