

2021-2022 FHAA Membership Application

The Firestone Hi Aquatic Association (FHAA) has been a proud tradition since 1968. FHAA's goal is to **“promote the Firestone High School Swimming & Diving program.”** Your membership and support will give the FHAA the ability to continue supporting an aquatics program that is one of the best in the country!

FHAA provides the swimmers and divers with team warm-ups, a parka (for participants in good standing with the team), regular season and post season championship meet suits, and covers all meet expenses including bus transportation, lodging and meals for out-of-town and overnight events. We will also continue to provide the pre-meet snacks that are available for all swimmers and divers before each meet.

In addition, FHAA provides team equipment (including updating and replacing equipment as needed), the timing & scoreboard equipment, coaching and swim meet support. We hold **monthly parent meetings** the first Monday of every month and maintain the “firestoneswimming.org” website to keep you informed of meetings, swim meet schedules, the Marathon swim for charity, apparel items, awards and upcoming events and banquets.

Our goal continues to be **100% parent participation** in the membership drive!

Thank you for your support!

Please send this form and check (payable to FHAA) to:
Stacey Rogers
3455 Bannockburn Dr
Richfield, OH 44286
